

## **Thomas Deacon Academy: Provider Access Policy 2023 - 2024**

### **Introduction**

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the providers' education or training offer. This complies with the schools' legal obligations under section 42B of the Education Act 1997, the Technical and Further Education Act 2017 and the Skills and Post-16 Act 2022.

### **Student entitlement**

All students in years 8-13 are entitled to a minimum of six provider encounters:

- To find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- To hear from a range of local providers about opportunities they offer, including technical education and apprenticeships – through options events, assemblies, group discussions and taster events;
- To understand how to make applications for the full range of academic and technical courses/programmes.

As a minimum TDA will offer:

- Two mandatory encounters during Year 8 or up to 28<sup>th</sup> February in Year 9 for all students
- Two mandatory encounters during KS4 for all students
- Two encounters during Year 12 or up to 28<sup>th</sup> February in Year 13 which students will be invited to attend as relevant to their progression intentions.

### **Management of provider access requests**

#### **Procedure**

A provider wishing to request access should contact Michala Jackson, Assistant Principal: tel: 01733 426060 email: [careerseducation@tda.education](mailto:careerseducation@tda.education)

### **Opportunities for access**

A number of events, integrated into our academy's careers programme, will offer providers an opportunity to come into school to speak to students and/or their parents/carers (subject to current local or national restrictions which may require access to be virtual only). This is integrated into our wider careers strategy. The events listed below are subject to change and are in some cases outside the planned programme.
