It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](#) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by **31st July 2021** at the latest.

**** In the case of any under-spend from 2019/20 which has been carried over this must be used and published by 31st March 2021.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Please note: Although there has been considerable disruption in 2020 it is important that you publish details on your website of how you spend the funding - this is a legal requirement.

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improvement.

Key achievements to date until July 2021:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • KI1: Leadership programme pilot successful with Primary Leaders focus. Also as hubs for Festivals and Sports Days linked to Secondary Leadership sources through DofE and 6th Form. • KI1: Covid based online live sports lessons and resources for children in lockdown. • KI2: Increase in profile of PE and PESSPA within the school and community. • KI3: Outreach of PE/PESSPA provision within the Trust. Increase of PE/PESSPA Team from 3 to 4 for 2020-21. Recruitment secured for increase to 5 for 2021-22. • KI3: PSP Lead training for Coaches and Teachers within the school and associated Trust schools, resulting in consistently Good lessons using Ofsted framework. • KI4: External links to Cycling, Cricket and Multi-Sports clubs. • KI5: Intra-school Competitions in Football, Netball and Athletics. Successful large-scale Sports Days using cascaded leadership format. 	<ul style="list-style-type: none"> • Increased percentage towards targets for Swimming. Provision and budget allocation for further top up. Last year due to Covid means Year 5 Swimming has now become Year 6 provision to ensure full year group coverage is maintained. • Increased number of competitions within Trust schools to compensate for no external competitions or festival in 2020-21. • Reinstate formally existing links with NGBs and local initiative providers. Look into funding pots for extra provision and equipment. • Fully embed leadership programme after pilot, to increase after-school provision, festivals, and competitions. Formalise links with TDA and QKA for recruitment. • Install the Daily \mile and ensure adequate year-round provision/incentive

Did you carry forward an underspend from 2019-20 academic year into the current academic year? NO

If any funding from the academic year 2019/20 has been carried over you MUST complete the following section. Any carried over funding MUST be spent by 31 March 2021.
